YOUR PRESIDENT'S PROFUNDITIES

At the time of this writing NAPP president Herzog should be enroute from California to Iowa to once again resume his duties as Pastor of St. Mark's Church, Iowa Falls, Iowa. All of us wish him the best of everything upon his return to the Flock he left a year ago.

Upon his return the official headquarters for NAPP will be:

REV, JOHN HERZOG
St Mark's Church
Box 609
Iowa Falls, IA 50126
515-648-9547

A few items from this desk in the interim.

1: We probably willnot be sending out membership cards this year. I am not sure where they are at the present moment. So for those of you who paid consider the old one valid. Next year we'll get around to issuing new ones.

2: I have one empty seat in my plane for the July conference in Montreal. If any one is interested from the midwest drop me a line or give me a call at 319-689-5161. May as well have the bird full.

A couple of items of note:

1. Within the past 6 weeks the Post Office in Preston, Iowa was given a new face lift. In the process I ended up with a new box number. NAPP correspondence should now be addressed as follows:

Mel Hemann
Box 309
Preston, IA 52069

(Hope this doesn't upset you terribly!).

2. If you haven't sent in your 1983 dues please do so NOW. You should have two dues envelope by this time.
3. If we get it all done you will find included in this package the following: a. this newsletter; b. the revised copy of the NAPP constitution and by-laws; c. the pictorial directory.
4. This newsletter contains the reservation forms for Albuquerque and Montreal. Please fill out the one(s) you are planning to attend so that the hosts can make proper plans.
5. We thank you for all the notes included with your checks. Keep those news items coming in. That's what makes it all interesting.

- Briefs from here & there -

Past NAPP president, Dick Skriba, writes from Chicago:

"Some tidbits from this corner of the world.

"1. Gene McCahey had stroke in his apartment about 2 weeks before Christmas and injured himself so badly when he fell down that he couldn't even get to the phone. Word has it that he was on the floor for 9 days before the police broke down the door and took him to the hospital. He died about 12/18 or 19. Our new Archbishop was the main Concelebrant at the funeral."

"2. John Bellon stayed awhile here at Queens on his way to the west. Perhaps he and I will fly to Montreal. (I finally worked out a vacation schedule to allow some time to be at the annual meeting. It'll be good to see the NAPPers again)."

"3. Jim Kelley is at the Navy's "charm school." As he says they're brying to make him a gentleman (??)"

"4. Our little Cherokee 140/180 is holding up quite well. The lads at American Aviation in Flying Cloud fixed the ADF finally."

From Pinehurst, Mass., Jack Lawler noted on the back of his picture:

"As of the date on the check I celebrate my 40th anniversary. Getting up there."

Joe Nettekoven had the enclosed with his dues on 1 - 8 - 83:

"Happy New Year and greetings from southern California. It's beautiful here today, clear and 80 degrees at 10:30 AM.

"I'm enclosing my dues and picture for the coming (or already here) year.

"My best to you and the others. God bless."

This word comes from the Josephinum from Korby Thielen:

I'm hoping to get back into the air again. Blood pressure's back down to normal without medication but FAA wanted stress test and Thallium Scan also, which I passed with flying colors. Now I'm waiting to see if they have still another hurdle or two. Right leg is healing well.

"The picture was taken for the American Legion. Will have to be at one of their meetings, I think, at the same time as National Marriage Encounter convention conference. And since not yet bi-locating - I'll probably not be at Notre Dame."

Josephite Father, Earle A. Newman, writes from Baltimore:

"A joyful and fruitful new year! And, herewith a bit extra for postage and whatever. Thanks for the reminder.

"Since sending in Pat Healey SSJ's name and the Bahamas address, I've wondered if a state-side address would be 'more comfortable' for you. He comes into Miami for R&R each month; could get mail at: Holy Redeemer Church,

1301 NW 71st Street, Miami, FL 33147. Phone: 305-691-1701. He's doing well with flight lessons, by the way; is finishing x/country work and night flying. Almost at licensing.

"I am glad you published his letter; our Bahamas mission (on Long Island) is primitive but most beautiful.

"God be good to you."

From Central Region Spring host, Bob Kirsch, Albuquerque, NM:

"My very dear brother in the Lord, Mel: Peace to you and yours!

"Herewith, latest mug shot (the mileage is beginning to show, no?) If you have already gone to print, fine; just file this one, O.K., or whatever! Have a very beautiful Easter; looking forward to your "safari" to this here parts. Thanks for the neat write-up in the newsletter!"

On January 14 Bill Bevington wrote from Nashville, TN:

"Thanks for the letter. I am glad you received the application and picture of Joe Brando in time for the NAPP Directory.

"We have two guest rooms at St. Henry's (one single bed each) and would be able to accomodate you and your friend. We do not have room in the rectory for the couple. If you wish I shall try to get some one to put them up for the night, perhaps a Marriage Encounter Couple. Please let me know if that would be desirable.

"Also, if you can let me know more specifically the E.T.A. on Sunday, Feb. 6, I shall be glad to meet you. Will you be parking at Big Brothers or one of the others?

"Looking forward to see you.:

(Ed. note: I and three others flew to West Palm Beach and were royally hosted by Bill on Sunday night. I had every intention of looking up some of the southern Florida NAPPers and then discovered when I arrived I'd left the directory at home. Is that an excuse for making another trip???)

Our 1982 convention host, Irv Weber, had this note with his picture:

"This is a much better picture than what you have. Hope to see you in Montreal or maybe in Iowa in June."

Bill Bevington also sent the following:

"Please add to the membership list of NAPP Rev. Joseph Brando. Joe just received his private license recently and is glad to be a member of NAPP. A check and picture is enclosed.

"Joe is in charge of our Family Life Office."
