Your President Says This: (For THE Last Time)

ABOUT THE 18th ANNUAL CONVENTION

I visited with Archbishop Hurley, our host, on the telephone a few days ago and he informs me that all things are in order. Some 30+ reservations are received at this writing and probably a few more will arrive in the next month. I know of at least twelve planes flying from the lower 48 states. I know of two priest pilots who would like a ride as of this writing, Msgr. Ben Bauer in Iowa and Fr. Irv Weber in Nebraska, and I believe we've coordinated the other requests enough that those wanting a lift or having a seat available have been contacted. From now on it's up to Lord to provide good weather for all of us, going to and returning, and let us pray for a safe trip for each of us. If you can be in Anchorage by Tuesday, July 14, then the fishing trip on Wednesday can be enjoyed by all. The annual meeting will take place on Thursday afternoon, July 16, and the usual banquet will follow the meeting. Frank has arranged the use of cars for those who might arrive a day or two early and who might stay after so that'll help cut down on expenses if we don't have to "rent" a car. GOD WILLING, I'll see you in Anchorage on July 14.

ABOUT THE "JOY" OF BEING YOUR PRESIDENT FOR THESE PAST FOUR YEARS

Perhaps the biggest reward was getting to know each of you just a little bit better. I have appreciated the personal notes and letters of support received from some of you at Christmas time and just when you wanted to write. I have enjoyed very much the contact which some of you made in a phone call. I have come to believe that the next best thing to being there, is a phone call, and especially when you least expect it. With your support and encouragement the task of president is more a "joy" than a "burden".

For those who will be unable to make it to Anchorage, THANK YOU, and if you do come through Eagle Grove, Iowa, please do stop in. I hope that we shall be able to give to our new president the same support which has been felt by me.

John W. Hemann

CENTRAL REGIONAL MEETING

We are happy to report that our turtle correspondent has something to report. The Central Region did meet on Monday, May 18, 1981 in Iowa Falls, Iowa.

Central Region Director, John Herzog, hosted the event.

Nine members from the Region were in attendance, all from Iowa as it turned out.

Plans were discussed on coordinating rides to Anchorage and also selecting the site for the Fall Regional meeting and the National Convention in 1982.

Following a delicious dinner and a lot of hangar flying, the group dispersed to prepare for ANCHORAGE!!!!

For the fourth time since I began putting out the NAPP NEWSLETTER in August of 1969 I am on the move again.

I've been "discovered" again. Among other things, they're going to try and make a builder out of me.

Please send all NAPP items for the NEWSLETTER to me at my new address which becomes effective July 14 - the day I hope to reach Anchorage.

As the crow flies my move is about 120 miles due East. The way I'm going, it runs into the thousands.
